12.5 The Priest of the Word

"My task which I am trying to achieve is by the power of the written word, to make you hear, to make you feel--it is, before all, to make you see. That--and no more, and it is everything."
~ Joseph Conrad

"Anyone who doesn't take truth seriously in small matters cannot be trusted in large ones either."
--Albert Einstein

Outlook

The Priests of the Church of the Word are among the most respected men and women of the world. They follow the Written Words of the First Patron, collecting facts, checking them, and storing them in their vast library in the city of Faraway. The church values truth. That said, it is not above the changing of Fate when its members see the need. Priests will often see visions of events to come. They may pray to change those events. They view both to be gifts from the First Patron, and consider it their duty to act on them.

While the Priests of the Word do not prescribe to any moral code (beyond a strict adherence to what is truth), they are often called to write the laws of the land, and to witness and judge when those laws have been broken. Every important event, whenever possible, has a priest in attendance to write it down. The saying goes that if a thing is not written, it never occurred.

Priestly Garb

The priestly garb includes a plain white, off white or brown cassock (originally based off the color of paper, over the generations this has become lighter in shade, and now even white is acceptable). Priests generally don't wear their full cassocks when they are simply out and about. Plain clothes are fine, encouraged even, for every day wear. Each priest also has a stole. These are typically individualized, although priests higher up rank would wear a more uniform stole when performing their duties. The stole, being two sided, typically would have the word "TRUTH" running top to bottom on the right side in block letters, and a word, phrase or block of text written on the left, in whatever format the individual desires. This block of text should be significant to each individual.

Player character priests may feel free to individualize their stole. They are not high enough in rank to worry about the uniform pattern. Player character priests may bring a cassock to game, but it is not required wear.

Part Two: Character Creation

Prerequisite: None

Restriction:

Season: 1 2 3

Max Purchase: 5 6 7

Skill Points: None

Notes: Skill Points represent the number of special actions a character can take during each encounter. There are different types of Skill Points, and when a Skill Point is purchased, it is immediately assigned a type. Each type of Skill Point fuels a different type of skill. Most characters will only require one, or at most two types of points.

The different types of skill point are Magic (magicians), Faith (priests of the Word), Craft (witches), Imagination (sandmen), Brain Waves (men of science), and Endurance (for everyone else).

The cost of a Skill Point is determined by the total number purchased, regardless of how the points were assigned after purchase. Types of Skill Points affect different skills, but for the purposes of purchasing additional Skill Points, they are all the same.

Example One: A character purchases a Skill Point and assigns it to Endurance so he can use his strong attack. He is also a magician, so he purchases a second Skill Point and assigns it to Magic. The first point of Magic is still the second Skill Point, and would cost more than the first point.

Example Two: A character has the Warrior header and has five Skill Points which have all been assigned to Endurance, and decides to purchase the Priest Header. His first Faith Point would cost the same as his sixth Skill Point.

Witness, or Writing the Word

Character Points:

Paladin: Free

Healer: Free

Scholar: Free

Reset: Instant

Prerequisite: Any priest header

Restriction: None

Skill Points: None

Notes: The Church of the Word has a saying: "If a thing is not written, it never happened." To that end, you are granted the authority to add facts and details into the record books of the church. You are a "legal witnesses" to the events of the world. Priest of the Word are called upon to record important events, such as births, marriages, deaths, important battles, contracts, and really anything worth remembering. The loss of any bit of information is considered a great shame.

Witness is not so much a skill as it is a duty, and it is one that every priest takes very seriously. To record a thing wrong, especially on purpose, is the worst offense a priest can make, so they are very careful to record names, places and events correctly. Some priests carry this believe into the things they say, being careful not to even speak a mistruth.

Priests who formally Witness and Record events, contracts, or other things of importance should include in their PELs what they have Witnessed and Written.

Paladin Skills

Imbue/Forge Holy Weapon

Character Points:

Paladin:	15
Healer:	---
Scholar:	---

Reset: Event

Prerequisite: Paladin header

Restriction: None

Skill Points: 1 Faith

Notes: You may imbue a weapon with the holy power of the Word to make it a powerful weapon against demons and undead. Traditionally this weapon is a sword, but it may be any small, medium or large weapon (though not a bow, fist of claw).

To Imbue an existing weapon as holy, you must design a rite that includes the following elements:

- * It must be a minimum of 5 minutes in length.
- * The focal point of the Rite must be the weapon that is being infused with the Word.
- * The rite must include speaking and gestures.
- * The rite must include writing of some kind, even if this is only tracing out symbols, runes, letters, or words, although consider that this writing would eventually be turned in to the church to making the rite official.
- * The weapon must be given a Word that becomes its Name.
- * The rite cannot be interrupted. If you take harmful effects or stop the rite, or someone else interrupts or walks through the rite, then you must begin again.

As long as those requirements are met, you may perform the Rite as you wish. At the end of the rite, you may call out "Imbue Holy Weapon by Faith" and your weapon becomes Holy when in your hands.

Once this is done on a weapon, you do not need to perform this rite again. It is considered to remain in effect between events, and does not end unless you imbue a new Holy Weapon. You may only have one weapon that is so empowered. If it at any point you wish to imbue a new weapon, you may do so, following the guidelines above, but the previous weapon loses its holy imbue. This can be done during an Encounter, but please note that interruptions will reset the rite.

You may also choose to perform this rite while forging your own weapon. This requires you to have the Weaponsmithing skill and the necessary in-game components. A Holy Weapon personally created by the Paladin who wields it, weaving in it his Words as he does, is said to be more powerful and it is possible there are hidden skills that may be discovered related to this.

Once cast, in addition to becoming a focus for other abilities, the Paladin can cast Priest spells while holding and using their Holy Weapon in one hand. You must have the skill to use the weapon to do this. This overrides the restriction requiring both hands to be free to cast spells.

Notes:

* This skill also works with any Priest packet-based skills that are not technically spells but that work like spells.

* If the weapon is destroyed, the Holy Sword Imbue is not lost, but you cannot use the Sword for any abilities relying on it until the Sword is repaired.

Research

Character Points:

Paladin:	10
Healer:	10
Scholar:	5

Reset: event

Prerequisite: none

Restriction: none

Skill Points: none

Notes: You are well read, and can research scholarly questions about matters like history and magical theory, using libraries and scholarly contacts at universities and the like. You can choose to use this info skill actively or passively after each event to research a subject between events. This works better if you have declared a specific field of study that you may be familiar with, but it is otherwise a broadly defined skill.

* If you use it passively, you will receive snippets of information that have turned up in your between-events reading in your character envelope at check in next event which may contain relevant plot information. (Sometimes we may use other delivery methods, such as an NPC visit, to give you your info.)

* If you use it actively, in your PEL after each event, you can submit one topic you're researching. You will receive an answer at the next event you attend. Your answer may be an OOG note in your character envelope at check in, or an IG letter, or a scholarly contact who comes in person to give you your answer during game. There is no guarantee that the information you get will be true or accurate — but it is what you could find on the topic through this avenue. Sometimes the answer may simply be that you couldn't find anything and should try other sources or methods.

Notes:

* If for any reason staff fails to give you a reply to your question at the next event, we will do our best to get you your answer at the following event. In the meantime, you can ask another question after the new event without "replacing" your old one; we will get you answers on both, so long as you ask no more than one question per event using this skill.

* You MUST submit your question by the PEL deadline of two weeks after the event in order to receive an answer if using this skill actively. If we do not receive a question by the deadline, we will assume you are using the skill passively

* Multiple characters may stack use of this skill together to ask the same question. If multiple uses are stacked, the information received will be greater than what would be discovered individually. If combining efforts, you must indicate that you are doing so when submitting the skill use in your PEL.

Prerequisite: None

Skill Points: 1 point of Skill *of any type*

Notes: This skill allows you to read an Insight Card for a hint when faced with a challenge. Such a card may offer a clue how to get past a puzzle or difficult situation.

If a Patron is present, you may instead approach him and call "Speak with Patron by Insight". State your question to the Patron in the form of an inner monologue. The patron may, in the course of his writings, indicate some hint in return. *Example:* You approach the Patron and say, "Speak with Patron by Insight. I'm stumped. If only we could find a way out of this room..." The patron, in turn, may read from his book, saying "And she turned and looked over her left shoulder, where a vent shaft was set in the wall. If only she could get through the grate, she might find the way out..."

Sometimes a fairy might be present who can respond. By calling, "By my voice, Expose Insight Spirit," you may sometimes reveal such a fairy. It may be that the fairy speaks from the shadows, or through the mouth of

Cottington Woods Player's Guide

another being in the room with you. In any case, you should never question the spirit, but should ask your question in the hopes of an answer.

It may be that no hint or answer is forthcoming. There may be no card. The Patron may flatly state, "But there was no aid forthcoming." The fairy might just shrug its shoulders and say, "I dunno!" if this is the case, your use of this skill is not spent. You may use it again, though not in the current encounter.

Notes: This skill may be used if a Priest Witnesses and Records (writes down) a significant event, moment, contract, oath, or other such event to bless the participants of that moment. (This is most often used when a Priest is explicitly asked to bear witness, but it is not required that a Priest be asked to do so). Take a moment to state that you have formally witnessed this moment -- such as "My name is <Your Name> and I have Witnessed these Words as Truth" or "Let it be known that this is been Witnessed and the Words Written by the hand of <Your Name>."

You may then call a packet to each participant (such as two individuals who exchanged a vow) and say one of the

Cottington Woods Player's Guide Part Two: Character Creation

following: "Heal by Faith" or "Grant 1 Protection by Faith." If the event included all visible individuals (such as a decisive battle in a war), you may instead call out "By My Voice" rather than touch a packet. However, to do so, those present all must have participated in the event, act, etc, being Witnessed. If they were just bystanders or witnesses, they cannot be so imbued.

The Protection granted from this effect cannot stack with any other granted protection or armor.

When making the call, the volume of the call must be at the same volume level as the conversation itself.

Notes: Scholars gain great understanding of the Word from knowledge. Write down something you don't already know, such as taking notes during important conversations. Share it with someone who does not already know it. Touch a packet to that person or to yourself and call your choice of:

"Refresh 1 Twilight Skill by Faith"

"Cure Doubt/Madness/Insanity/Corruption/Nightmare/Glamour by Faith"

"Encounter Grant 1 Skill Point by Faith"

"Grant 1 Vitality by Faith"

This must be new information shared, and should obey the spirit of this skill, which is to share in-game knowledge. The Patrons do not take kindly to those Scholars who seek power from the Word but do not uphold the true meanings behind it.

Prerequisite: Diagnose Physical

Restriction: None

Skill Points: 1 Faith

Notes: At dawn and dusk you may utter a prayer of at least ten syllables, spend 1 Faith, and call "Imbue to Self by Faith". Until the next twilight, you may then touch any unstable character with a packet and state, "I do not witness your dying. Stabilize by Faith."

Remove Lesser Injury

Character Points:

Paladin:	---
Healer:	10
Scholar:	---

Reset: Encounter

Prerequisite: Diagnose Physical, Healer header

Restriction: None

Skill Points: 1 Faith

Notes: By spending 1 Faith and speaking a prayer of at least fifteen syllables, you may call "Imbue to Self by Faith" and change the course of events, acknowledging how they occurred but altering the outcome so that the injured were harmed less, or even not at all. By spending the 1 Faith you may cast two healings, the values of which are determined as follows:

Because you work with the Word, you must know how the injuries occurred, at least to some extent. If you were not there when the injury occurred, or there is no one present who can tell you the tale, you may use each heal by touching a packet to your target and calling "Heal 1 by Faith."

If, however, you witnessed the encounter, if you were at least present (even if you didn't actually see it), or if you are told what occurred, you have better control over the outcome, and may call "Heal 3 by Faith."

For example, if you and your companions are fighting a pack of wolves and Joe is struck down by one behind you, you may turn around and cast "Heal 3 by Faith" upon him, because you know the general tale of how he fell, even if you didn't directly witness it.

For example, however, if you were sitting in the tavern and Joe was brought to you unconscious, you could only cast "Heal 1 by Faith" unless the person who brought him in knew how he had been struck unconscious and told you. You can, however, cast "Heal 1 by Faith" upon Joe, ask him what happened and listen to his tale, and then cast "Heal 3 by Faith" upon him once you know the story.

Notes: You are able to tell the tale of how one in a coma awakens again. Spend 10 seconds telling the tale, touch a packet to the target and call, "Cure Comatose trait by Faith." As defined in the Comatose skill, a person brought out of a Coma suffers the Drain effect and must rest 5 minutes to remove it. Both hands must be free to use this skill. If you know how an encounter occurred, you may speak a prayer of at least 6 syllables and spend 1 Faith to cure each of the target's maimed limbs (target each limb in turn) and call "Cure Maim <<limb>> by Faith." If you did not see the encounter, or were not present or were not told what occurred, you may target only a single limb.

Notes: You may use your Faith in the Word to remove a common disease from a target. Speak a prayer of at least 8 syllables, touch the target with a packet and call, "Cure Disease by Faith." This spell does not remove any damage that may have resulted from the disease, but it will stop further damage.

Remove (Specific) Disease

Reset: encounter
Prerequisite: Remove Common Disease
Restriction: none
Skill Points: 1 Faith

Notes: Most known diseases can be cured by the Remove Disease spell above. New or rare diseases, however, must be studied before a cure can be given, and in that case, each would have a separate spell to cure it. This prayer must be learned in game, and only with the proper teacher. A new disease would have its own trait, and the call to cure it you would speak a prayer of at least twelve syllables and call "Cure <<name of disease>> by Faith.

For example, if the green tongue plague began to spread, the healer must research or be taught the prayer to cure it. This would cost 10 character points. If the blue tongue plague began to spread, the healer would have to research or be taught the prayer to cure that disease, costing another 10 character points.

Notes: You may alter the outcome of an event, rewriting the fate of a target that has recently died, returning that target to life. If the target has not completed his five minute death count, touch a packet to the target and say "Begin Remove Death." The target stops their death count while you are using the ability. You then utter a prayer, or tell a short tale of how the target has not truly died or how he must return, of no less than twenty syllables, and then call "Cure Death and Drain by Faith."

If you are interrupted while telling the tale or prayer, you must begin again, but you do not lose the skill points or the skill use. If you are interrupted, the target restarts their death count from where they left off until or unless you begin the ability again.

You do not need hands free to use this ability, and may in fact write the tale while delivering this effect.
